

Hello ERN-Skin Team,

Here are our latest news: ERN-Skin Cutaneous Mosaicism event invitation, the Skin ePAG at GlobalSkin Conference ELEVATE 2023, GlobalSkin Patient Leader Awards and 2nd edition of the World Congress on Rare Skin Diseases (WCRSD)!

ERN-Skin EVENTS

Scientific Day on Cutaneous Mosaicism, 12th of June 2023, Rome, Italy (*also online*)

The **ERN-Skin Mosaicism – Nevi and Nevoid Skin Disorders** group is organizing a **meeting on cutaneous mosaicism, on the 12th of June, in Rome, Italy**. It will focus on the establishment of practical recommendations for the clinical approach to mosaicism in the skin and mosaic conditions of major impact in regular practice of pediatric dermatology.

About 20 European experts members of the ERN are invited to discuss the main topics of mosaic disorders of the skin.
